

A woman with long brown hair is sitting on stone steps outdoors. She is wearing a white lace short-sleeved top over a colorful, tropical-print floral skirt. She is also wearing light-colored pants and large, reflective sunglasses. Her hair is blowing in the wind. A large, tan leather handbag is leaning against her leg.

## defying the rules

Don't have time, feeling overwhelmed, or even ignored? It's what we've heard over and over from women who are fed up and discouraged with the shopping experience at stores and online. Let's face it: shopping can be frustrating. For far too long, most of us have accepted it because we didn't know of a better choice. That has changed. At cabi, we are defying the rules by redefining the way women shop and work—we offer a solution to the frustration of shopping and difficulty of putting outfits together that, in turn, provides an alternative career for women that is liberating and profitable. Together we'll find looks you'll love, all in the comfort of our alternative store...the home. It's what's making us the world's largest women's fashion retailer that owns no stores, yet offers in-person styling services. So say goodbye to the frustrations of traditional shopping—sit back, relax, and enjoy a new way to shop. We are taking back control, and you won't ever want to go back.

*the look of spring 2017*

We were strolling through the French Riviera, trying to put our finger on what precisely made our new Collection so glamorous, vivacious, and effortlessly chic. Perhaps it's the gorgeous saturated navy, which plays perfectly with color and neutrals alike. Or the bright blooms everywhere, in every scale, anchored by bold stripes. Maybe it's the playful twists like dots and confetti, which come together to create stunning patterns worn like solids. Could it be the silhouettes that show a subtle sliver of shoulder, or those playful feminine bottoms? And then, our "Eureka!" moment! Our Spring 2017 Collection is more than the sum of its parts. It's a certain sense of style, a feeling, a thing we've come to call *je ne sais quoi*. We can't say exactly what it is, but we promise you'll know it when you see it.

# We are reinventing the way you shop!

And it has created thousands of opportunities for women to have an alternative career that is relevant, liberating, and profitable. Women are coming together in record numbers to create alternative stores by opening and sharing their homes with others. In fact, this year, there will be nearly 1 million visits to cabi's alternative stores across the U.S., Canada, and the UK. We are changing how women shop and experience fashion; we are defying the rules of shopping by proudly offering an alternative experience full of style and ideas. And as a result, we are transforming how women see and feel about themselves.

*So join us and let's change this experience for women everywhere.*

YOU CAN ENCOURAGE & EMPOWER  
WOMEN AROUND THE WORLD

The Heart of cabi Foundation is how we take the transformation that happens through the cabi experience far beyond living rooms. From giving clothing to women in communities affected by natural disasters to empowering women entrepreneurs in the developing world working their way out of poverty, we are passionate about serving and investing in women across the globe.

**3 ways you can make a difference now:**

♥ **CRUSH TOP:** (pictured left) A portion of the net proceeds from the sale of this item will fund The Heart of cabi Foundation's efforts around the world.

♥ **MAKE A CHANGE:** When placing a cabi order, you can round your order total up to the nearest dollar or pound, empowering a woman in the developing world by contributing to her small business loan.

♥ **BUILD YOUR BUSINESS AND EMPOWER  
ANOTHER WOMAN TO BUILD HERS:**

For each new cabi Stylist who begins her business, cabi will fund a small business loan in her name for another woman entrepreneur in a developing country.

**together, we can affect lives around the world**

Not just about the way you look, but how you feel. It's not simply the outfit, but the *style* you own. It's not only the compliment, but the *conversation*. Ultimately, beyond great fashion, cabi is about *the connection*.

From the moment cabi was created, it was more than a brand; it was a *vision* to bring inspiration, *confidence*, and a lasting sense of *community* to generations of women. Knowing our greatest days are ahead of us, our empowered network of *friends* has become a catalyst for the biggest evolution in women's *fashion*.

The true essence of cabi isn't just about the clothing, it's about the *relationships* we build—each encouraging us to discover our style and *inspiring* us to mix and match what we wear with the way we live.
