Can clothes really change your life?
WE BELIEVE THEY CAN

How many mornings do you find yourself taking way too long to answer this simple question: "What do I wear today?" Cue the hanger flinging, the self-doubt, the belief that *none of this even looks good on me*. In today's busy world, we don't have time to worry about what we put on...but we know that when we get it right, it matters.

When we nail it, we step out our door with confidence, ready to conquer the day.

Behind each piece of cabi clothing, you have a Design Team who cares about your unique style and budget. You have your own personal Stylist who gets to know you and recommends pieces that truly fit your body and lifestyle.

She can make your next friend gathering fun, purposeful (and stylish!), or work with you in a one-on-one personal styling session (all for free); you also have the convenience of her website or the style-infused cabi Tap app. Your Stylist, more than anything, is your ally, not some algorithm. Time spent with her is gold.

Your mornings can change from the endless tumult of indecision to the victory of confident selection—and yes, winking at the mirror just might become part of the normal routine. When we feel great, we step into the world more fully our unique selves, able to contribute freely to those around us. And that's life-changing.

Someday, you'll show up effortlessly put together, radiating the positive energy living inside you. Here's our tip: replace "someday" with "today." Today, you can start with radiant yellows as intoxicating as rays of sunshine and dreamy denim—high rises, cleaned-up, super vintage—the foundation of every modern woman's wardrobe. Welcome twists on

'60s and '70s style—wrap skirts, trouser jeans with fuller legs, and chic, bohemian jackets. Today, try a sophisticated take on Americana and embrace a hue that's absolutely overwhelmed the runways (pink!). We're excited to share our Spring 2020 Look Book with you, a joyful celebration of all the best things in life we're saying "yes" to...today.

the heart of cabi foundation ❤

Our vision is a world without extreme poverty.

Together, we can encourage and empower women across the globe as we provide clothing for our local communities and support women entrepreneurs who provide for their families in the developing world. Woman by woman, we're helping communities break free from poverty.

**Let's be the generation to eradicate
extreme global poverty.**

Join the movement:

❤ **PURCHASE THE TIED-UP TOP:** (pictured opposite page) A portion of the net proceeds from the sale of this item will help fund The Heart of cabi Foundation's efforts in our local communities.

❤ **GIVE THROUGH MAKE A CHANGE:** Round your cabi order total up to the nearest dollar or pound to contribute to the education and futures of Rwandan children.

❤ **LAUNCH A cabi BUSINESS:** When you begin your cabi business, cabi will fund a small business loan in your name for a woman entrepreneur in a developing country to build her own business.

Together, we can affect lives around the world.

Not just about the way you look, but how you feel. It's not simply the outfit, but the style you own. It's not only the compliment, but the conversation. Ultimately, beyond great fashion, cabi is about the connection.

From the moment cabi was created, it was more than a brand; it was a vision to bring inspiration, confidence, and a lasting sense of community to generations of women. Knowing our greatest days are ahead of us, our empowered network of friends has become a catalyst for the biggest evolution in women's fashion.

The true essence of cabi isn't just about the clothing, it's about the relationships we build—each encouraging us to discover our style and inspiring us to mix and match what we wear with the way we live.
