LOOK BOOK
SPRING 2021

A photograph of three women standing side-by-side against a solid blue background. The woman on the left wears a colorful floral short-sleeved top, olive green cargo pants, and orange and white lace-up sandals. She also wears a striped headband and a pearl necklace. The woman in the center wears a black and white vertically striped dress with red stripes at the hem, paired with a white cardigan. She is wearing large black tassel earrings and black and white strappy sandals. The woman on the right wears a sleeveless orange top with a small floral pattern, blue jeans, and leopard print sandals. She has a green and white patterned shawl draped over her shoulders and is wearing a gold star pendant necklace.

Can clothes really change your life?
WE BELIEVE THEY CAN

How many mornings do you find yourself taking way too long to answer this simple question: “What do I wear today?” Cue the hanger flinging, the self-doubt, the belief that *none of this even looks good on me*. In today’s world, we don’t have time to worry about what we put on, but we know that when we get it right...it matters, whether we’re seen by many or just our at-home crew. When we nail it, we’re ready to conquer our day.

Behind each piece of cabi clothing, you have a Design Team who cares about your unique style and budget. You have your own personal Stylist who gets to know you and recommends pieces that truly fit your body and lifestyle.

Your Stylist can creatively serve you in person or virtually, with a gathering of friends or one-on-one for a Personal Styling Session (all for free); you also have the convenience of her website or the style-infused cabi Tap app. Your Stylist, more than anything, is your ally...not some algorithm. Time spent with her is gold. Your mornings *can* change from the endless tumult of indecision to the victory of confident selection—and yes, winking at the mirror just might become part of the normal routine. When we feel great, we step more fully into our unique selves, able to contribute freely to those around us. And that’s life-changing.

For the Spring 2021 Collection, we're embracing brighter-than-ever colors, bold whites, sophisticated staples, high-waisted denim, sumptuous athleisure wear, and a fresh take on florals. From day to night and work to play, every piece demonstrates vitality and optimism. Grounded in what we're seeing on the runways, the Collection strikes just the right balance of glam, fun, chic, and casual. And texture has an essential role with tops, bottoms,

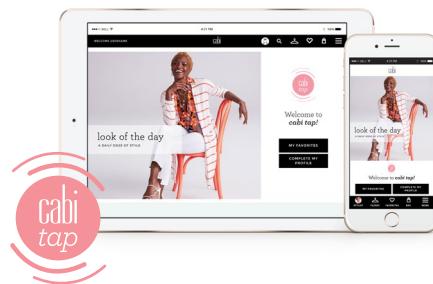

and accessories that makes you not only want to touch them, but you'll also feel comfortable and strong. We poured our heart into this Collection, imagining the woman who puts her whole heart into everything she does for her family and friends, perhaps now more than ever. With our Spring 2021 Collection, we embody her vibrant, creative spirit and the bright future she imagines for everyone.

Life continues to look a bit different this spring, and our new Around The Clock group, The Hero, reflects that with ease. Between sipping a latte at an outdoor café, homeschooling kids, dancing around each other at home, and wearing plenty of new hats, you're a modern day Wonder Woman, and this group, The Hero, is guaranteed to help you swoop in and save the day. With blacks, whites, and shades of gray, this group pairs back effortlessly to all the others, letting you mix, match, and elevate these comfy pieces (around the clock!) like it's your superpower.

Not business as usual

THIS CLOTHING CHANGES LIVES

Our Stylists are the heartbeat of cabi—they're entrepreneurs, confidence-builders, world-changers. From helping a woman change how she sees herself in the mirror to helping a woman in the developing world change the trajectory of her family and community, we're a community of women making a real difference for others. Our clothing empowers you to build your own

business, on your terms—part time, full time, when, where, and how you want, with easy tools to serve women when, where, and how

they want, in person or virtually.

**It all starts with
the clothes.**

This isn't business as usual—it's your opportunity to make a rewarding difference for communities of women while building a business you love. And we believe it just might change your life.

Our vision is a world without extreme poverty.

Together, we can encourage and empower women across the globe as we provide clothing for our local communities and support women entrepreneurs who provide for their families in the developing world. Woman by woman, we're helping communities break free from poverty.

**Let's be the generation to eradicate
extreme global poverty.**

It's not just about the way you look, but how you feel. It's not simply the outfit, but the style you own. It's not only the compliment, but the conversation. Ultimately, beyond great fashion, cabi is about the connection.

From the moment cabi was created, it was more than a brand; it was a vision to bring inspiration, confidence, and a lasting sense of community to generations of women. Knowing our greatest days are ahead of us, our empowered network of friends has become a catalyst for the biggest evolution in women's fashion.

The true essence of cabi isn't just about the clothing, it's about the relationships we build—each encouraging us to discover our style and inspiring us to mix and match what we wear with the way we live.
